SHARE THIS: Comrades, [@EyesOfGritty](#) just caught a 12-hour shadowban for posting a Proud Boy's employment info.

This is Proud Boy Mark Anthony Tucci. He works at Aldo's Pizzarama in Philly.

Call them at 215-698-8110 and ask why they are employing a proud member of a hate group.

Thanks for calling! As soon as I see a public statement from them, I'll update the thread.

In the meantime, it's very likely they're just hoping this blows over, so keep calling, folks! ❤️🖤✊

He is not going to make a public statement, I just spoke to him on the phone. The guy has not worked there for a couple weeks and we are destroying the owner's business. He is an immigrant and would not of hired him if he knew this was the kind of person he was.

He's lying to you.

Mark literally went live on Facebook from Aldo's less than four hours before the dox went live.

Well he sounded very sincere. Said the guy has always been respectful to him. I said well of course he was, that's common sense. Okay, I feel like I've done my part, carry on.

You could accept that he's a member of a hate group, or you could, y'know, try reading the fucking thread?

Hey, no shame in delivering pizza for a living. Work is work.

But there's *loads* of shame in being a fascist, which is why we're getting him fired. ❤️🖤✊

Yeah, they were lying about it last night, too, saying he hadn't worked there in a month.

But he live-streamed himself making pizzas there yesterday morning, just hours before the dox went live.

Keep calling, folks.

Let them know that supporting hate has consequences.
